

1st Haddenham Cub Scouts – Early Summer Term Programme 2021

We have included names of parent helpers to provide extra help at meetings (we will often be working in groups), but if you are unable to help on the day suggested, please try to arrange a swap with another parent and let us know. If siblings need to come, they will remain under your supervision. All adults must, please, have a face covering with them to use when a 2-metre distance cannot be kept.

If your child is unable to attend a meeting or activity, or intends to stop coming to Cubs, please let Akela know (01353 740721 with answerphone).

Wednesday 21st April

Division of Pack into groups and issue of leather woggle slides to be worn to all meetings.

Communicator Badge:- Passing a message through the group (St George & dragon story game).

Use of Army field signals. *Science/Nature Badges*:- Sow seeds to take home & bring back 12th May.

(Could John or Nicky and Luke or Tamsin please stay and help)

Wednesday 28th April

Invest Oscar Titmus at start of meeting.

Communicator Badge:- Cracking the code and the new Country Code (game).

String Telephones (relay coherent message). Morse Code (message using percussion).

Advanced Notice:- Please can Cubs plan to talk about their family/pets/hobbies on 5th May.

(Could Rob or Ailsa and Andrew or Helen please stay and help)

Wednesday 5th May

Investitures at end of meeting - parents of new Cubs are invited to come and watch at 7.45pm.

Communicator Badge:- Alarm (game of memory & listening). Blindfold Trust Trail.

Cubs to talk about themselves within their groups (e.g. hobbies, experiences, looking after pet).

(Could Geoff or Nancy and Garry or Victoria and Latandra please stay and help)

Wednesday 12th May

Science/Nature Badges:- Bring seedlings grown from April to pot up & grow at home. Soil testing and soil suspension columns. Weed/wildflower identification. Mini-composter - Bring a large jar + lid, or a plastic drinks bottle with the shoulder cut off & kept (ideally with label removed). The composter should be taken home, kept in the dark & brought to our meeting after half term on Wed 9 June.

(Could Toby or Emily and Robin or Natalie and Helen please stay and help)

Wednesday 19th May

Science/Nature Badges:- Wild species identification (insects and plants in orchard area).

Dig soil pit - look at profile and earthworm counts. Mobile phone use for Communicator Badge:-

Please could parents in advance show their children how to make voice & text & emergency calls.

(Could Paul or Sharron and Steve or Debbie and Helen please stay and help)

Wednesday 26th May

Science/Nature Badges:- Examine soil suspension particle grading. Following tracking symbols.

Simulated wildlife poo moulding to aid recognition of the real item for tracking animals.

(Could Johannes or Latandra and Peter or Jill and Ailsa please stay and help)
