A quick catch-up

We hope you and your loved ones are all well and in the best possible spirits during these challenging times.

Some Good News

Waitrose Community Partner Fund: Just before lockdown we were very pleased to receive a phone call from Ely Waitrose, to be told that our share of the customer 'green tokens' for April was £330. Many thanks to all who supported our Scout Group. The money will be used to enrich our planned programme of activities for the Beavers and Cubs.

'Hike to The Moon' challenge (for Children in Need & Comic Relief): You may have seen Bear Grylls, our Chief Scout, talk about this during the 'Big Night In' a few weeks ago. 11 of the 12 people who have walked on the moon have been Scouts.

Beavers, Cubs and Scouts across the UK (400,000) were challenged to each walk one mile: around their gardens, on the spot or on daily family walks, and to raise £1 per mile in sponsorship. A target was set of raising £240,000 which is the distance from earth to the moon and back – this target was reached within days and we await the final sum.

Our Cubs and Beavers raised an impressive £310 – the equivalent of £9 each. If all the UK Cubs, Beaver and Scouts had achieved this same amount of sponsorship then £3,600,000 could have been raised for coronavirus support. 1st Haddenham Cubs and Beavers - you did us proud. Well done and thank you. 🍷

Annual Meeting

We have to report on our achievements each year and present the Scout Group accounts. At this stage we are considering our options. Meanwhile, as we do at our AGM each year, below are a few highlights from 2019 involving our Beavers, Cubs and Leaders.

Best wishes, Robin Gildersleeve (Group Scout Leader on behalf of The Scout Group Team).
